

## Resetting or Changing Your ILL Account Password

If you've forgotten the password for your ILL account, and you have an email address on file, you can reset your password by following the steps below. If you have not provided an email address for your ILL account, please contact the library for help. If you know your password but just want to change it, begin at step 3.

- 1.) On the ILL login page, enter your cardnumber and click on **Forgot Your Password?**

If this is your first time using ILL you will need to register your cardnumber before continuing.

Please contact the ILL staff if you already have an account but recently received a new card, or

- 2.) You will receive an email with a new, temporary password. Login with this (you should be able to cut/paste it into the field, and you'll also need it to change the password later on).
- 3.) Once you are in, click on **Edit Personal Info.**

Welcome to the Camden County Library System's Interlibrary Loan and Wishlist Request Site.

Interlibrary Loan (ILL) service can be used to acquire items that are not found in the library's catalog. Please complete the appropriate form to submit a request and allow 2-3 weeks for processing. The ILL department will look to retrieve the requested item from an outside library, contingent on the lending library's policies. You can also use this site to check the status of your request.

- 4.) At the bottom of this screen is the section where you are able to change the password. Enter the information and then click **Change Password.**
